

-The Latest- Ten Websites Educators Should Be aware of- all free!

Dave Kootman-

1. [Dipity](#) ([X Timeline](#), [Our Story](#), [Capzles](#), [Mnemograph](#))
- online timeline creators with multimedia features - <http://tinyurl.com/d3jd99>
2. [Voices](#)- audio and mapping mashup- simply on the map-, then embed it!
3. [Go Animate](#) , [Animasher](#) - Students synthesize content and/or create cartoonish *animated* digital stories
4. [Glogster](#), [Comiqs](#), [ComicBrush](#), [Pixton](#), [Doink](#), [pikikids](#), (oldies but goodies- [ToonDoo](#), [Kerpoof](#), [Blabberize](#)) - create beautiful multimedia pages and cartoons to reinforce learning
5. [Engrade](#)- Full featured free online gradebook with parent access and all the fixins!
6. [Flash "Jeopardy"](#) (and others)- Puts the old Powerpoint template versions to shame! You'll use it all the time to review for tests- have your kids make them too! (see also [Jeopardy Labs](#))
7. [Mogulus](#), [Ustream](#), [Qik](#), [Flixwagon](#), [Kyte](#)- streaming video from your cell-phone, computer and even full web-based tv studios!
8. Online/downloadable timers- [Online Stopwatch](#), [Cool Timer](#)- (must be downloaded, but more features)
9. Oldies, but Goodies- [Diigo](#), instead of [Delicious](#), [Commoncraft](#)- simple tutorials, [Parent Conferencer](#)- don't conference without it, any URL shortener-PLEASE! [Flickr Storm](#) ([Compfight](#))- the easiest way to create your own albums from other people's photos- quickly pull up a collection for a lesson

10. [KickYoutube](#) - forget download converters or Zamzar. Get your YouTube video in multiple formats now! Watch the tutorial on the homepage.
11. [Skreemr](#) - find any music. Go ahead, try it
12. [Vozme](#) - text to speech converter (with browser plugin too)
13. [Google Friend Connect](#) - add nifty social features to your site
14. [Hellotxt.com](#) - update all of your networks at once!
15. [Authorstream](#) , [Slideboom](#), improved [Slideshare](#) with audio - Powerpoint type media sharing. (oldie, but goodie- [Voicethread](#))
